Eldora Group
Companies

The Eldora Group is structured as follows :

- **Eldora Ltd** (www.eldora.ch)

  Eldora Ltd is one of Switzerland's leading contract catering providers. Drawing on its expertise, it manages the day-to-day operations of more than 300 restaurants across three sectors : business, education and healthcare. Its success is founded on its employees' service ethos, culinary excellence and ability to design bespoke catering solutions closely aligned with client needs. Every day, Eldora Ltd prepares and serves more than 60 000 meals. It is also the largest company in the Group, which bears its name.

- **Kidelis Ltd** (www.kidelis.ch)

  Kidelis Ltd prepares and delivers more than 12 000 meals each day for childcare and early childhood facilities, as well as senior citizens, primarily in the cantons of Geneva, Vaud and Fribourg. Carefully developed to meet demanding nutritional standards and the specific needs of institutional clients, these meals are prepared in two modern central kitchens in Grand-Lancy (GE) and Cheseaux-sur-Lausanne (VD). These facilities are essential to the company's ability to serve a growing client base while maintaining excellent quality and efficient, reliable logistics.

- **Menu and More Ltd** (www.menuandmore.ch)

  Based in Spreitenbach, in the canton of Aargau, Menu and More Ltd specialises in preparing and delivering meals to daycare facilities and schools in German-speaking Switzerland. The company develops catering solutions tailored to children and young people, with particular emphasis on nutritional quality, menu variety and product provenance. It relies on an efficient logistics organisation and continues to reduce its environmental impact, notably through the gradual electrification of its delivery fleet. Menu and More Ltd prepares and delivers more than 16 000 meals a day.

- **Hotelis Ltd** (www.hotelis.ch)

  Hotelis Ltd specialises in temporary staffing in the hotel, restaurant and events industries. It also provides recruitment services, primarily for management and senior management positions. In addition, Hotelis Ltd operates a training centre known as Hotelis Academy, located in Morges (VD).

Ownership

- **Schematec Ltd** (www.schematec.ch)

  Schematec Ltd supports professionals in the design, layout and optimisation of commercial kitchens and catering facilities. Its expertise encompasses needs assessments, facility planning, production workflow organisation and technical project support. It works on new-build, renovation and refurbishment projects, aiming to create functional, ergonomic and efficient facilities suited to operational requirements.

- **PROCURIA Services Ltd** (www.procuriaservices.ch)

  PROCURIA Services Ltd represents a new strategic development for the Eldora Group in procurement and professional services. It aims to pool purchasing volumes, establish lasting supplier partnerships and offer catering professionals competitive, transparent and responsible procurement terms. PROCURIA Services Ltd will launch its operations in January 2027.

The entire share capital of Eldora Holding Ltd is held by the DSR Foundation, a Swiss foundation whose mission includes supporting community, charitable and social initiatives.

This ownership structure allows the Group to pursue long-term economic development while indirectly helping to finance initiatives that benefit society. The Eldora model is based on a firm conviction: business performance can, and should, go hand in hand with a positive contribution to society.

5
Sustainability

Sustainability is central to the Eldora Group's strategy. Its commitments are reflected in its focus on product provenance, seasonality, reducing food waste, managing resource consumption and improving working conditions.

The Eldora Group favours a pragmatic approach based on measurable action and continuous improvement.

In December 2025, Eldora Ltd obtained international B Corp certification, recognizing its commitment to social and environmental performance, accountability and transparency. Eldora Ltd also operates management systems certified to ISO 9001, ISO 14001 and ISO 45001, covering quality, the environment, and occupational health and safety, respectively.

6
Our People

With more than 2200 employees, the Eldora Group is a major employer in Switzerland's catering and related services sectors.

The diversity of its professions is one of its greatest strengths: chefs, restaurant managers, service professionals, nutrition specialists, logistics experts, recruiters, engineers, procurement specialists and administrative staff all contribute to the quality of its services every day.

The Eldora Group places particular emphasis on training, occupational safety, equal opportunities, skills development and employee retention. Its human resources policy aims to foster a respectful, inclusive workplace in which everyone can thrive.

7
Development
Outlook

The Eldora Group is pursuing a development strategy focused on strengthening its established businesses and diversifying its services.

Its priorities include modernising production facilities, digitalising operational processes, optimising procurement, strengthening its activities in German-speaking Switzerland and developing new solutions for industry professionals. This strategy reflects a commitment to measured growth, prioritising service quality, close client relationships and enduring commercial partnerships.
